

Product Specification Sheet

Targus Optical Bluetooth® Laptop Mouse

Part #: AMB04US

Product Description:

The Targus Optical Bluetooth® Laptop Mouse features Bluetooth wireless technology and provides seamless mouse functionality up to 33-feet away. The advanced Bluetooth technology eliminates the need for a separate receiver and is compatible with Bluetooth technology enabled PC or Mac computers. The cursor speed is adjustable and easily changes between 1600 and 800 DPI which is ideal for widescreen laptops. The sleep mode capability and on/off switch help extend battery life for optimum usage.
